That the product "Stainless steel flexible pipe - double wall - smooth internal", Tecnogas SKU 51300, 51302, 51304, 51306, 51307, 51308, 51309, 51311, 51312, 51313, 51314, 51315 shall comply with the rules listed below:

- **EN 1856-2:2009**

Essential characteristics	Performances
Nominal Dimensions	Ø50 + 400 [mm]
Flexibility	Maximum inclination 45°
Tensile / Compression / Torsion Strength	Passed
Fire Resistance & Thermal Shock	Designation 1: Failed Designation 2: G
Temperature Class	Designation 1: T200 Designation 2: T600
Smoke Tightness	Designation 1: P1 Designation 2: N1
Roughness Coefficient	1 mm (According to EN 13384-1)
Flow Resistance Coefficient of Components	According to EN 13384-1
Thermal Resistance at 200°C Nominal	0. 0 m² C/W
Condensate Vapor Durability	W
Corrosion Resistance	Class V2
Frost and Thaw Durability	Passed
